

ITG Digital Defenders

Cyber Safety Pledge

I, _____, pledge to be a responsible and safe **Digital Defender**. I understand the importance of protecting myself and others while using the internet and technology. I promise to follow these rules to ensure a safer online experience for everyone.

I will never share my full name, address, phone number, school name, or passwords with strangers online.

I will use safe usernames and avoid talking to strangers in chats.

I will avoid clicking on unknown links, pop-ups, or messages from strangers.

I will treat others with respect and report any bullying or mean behavior.

I will tell an adult if something online feels wrong or unsafe.

I will help others stay safe by sharing what I know about cyber safety.
